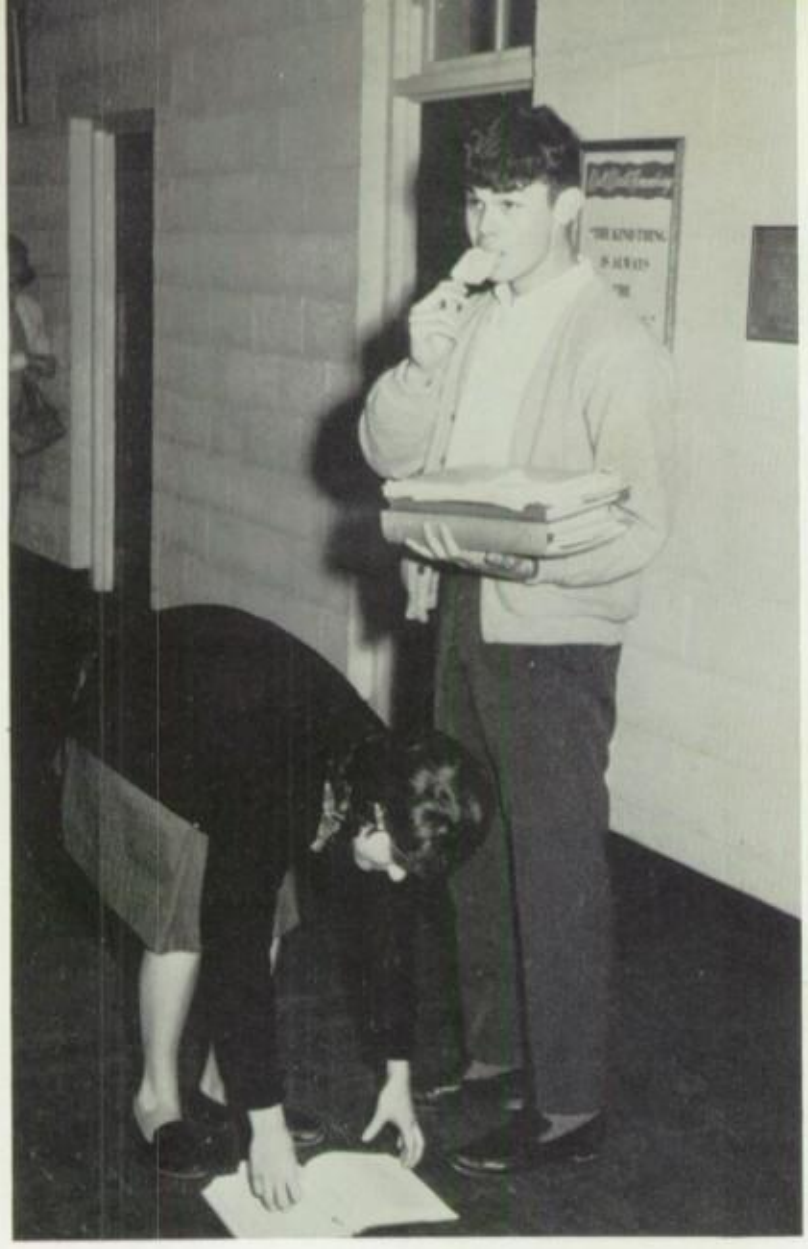
Elberton, Georgia

Each Day

. . . early and late, more than one thousand endlessly, busy teenagers gather in clusters and crowds . . . join in routine daily affairs of classes and clubs . . . check the latest reports of projects and parties, of plans and paraphernalia . . . share work and play, joy and tears victory and defeat—all of the moments that combine to form the year. We call "second to none."

We study hard . . .

. . . but we play hard too.



. . . and govern ourselves.

We are learning to consider others . . .

Miss Laura Hardee

For her untiring efforts on behalf of the students she teaches we have come to love and respect Miss Hardee. She is sponsor of the Senior Class, the National Honor Society, and Future Business Leaders of America. A class under Miss Hardee has enriched the lives of those E.C.H.S. students that she has taught for the past 7 years. She has inspired all those she has taught to do their best not only in her class but all through life. As one student phrased it "Miss Hardee is an ideal teacher."

Clubs and Organizations

The Clubs at Elbert County High School play an important part in the life of the school. They serve a definite purpose. They teach us to govern ourselves, and they provide an organized outlet for our varied interest. The clubs are important to us now and the things we have learned in club work will continue to be important throughout life.

This is the fourth year that E.C.H.S. has had a Student Council. During these years it has unified the work of clubs. It has brought order and organization to our efforts to improve E.C.H.S.

The Eidolon Staff takes a break—but for what?
A Picture, of Course!

From the Editor . . .

The faces on the preceding pages represent all of us, the students of Elbert County High. They represent us as we were in September when we began the school year. They represent all those hours and minutes between September and May 28. They represent the main events; Homecoming with East Hall, the Beauty Review, Basketball Tournaments, the Prom, and White Christmas. They also represent the everyday affairs of a diverse student body. They represent the tests we crammed for, the football and basketball practices, the club meetings every Friday, the intercom, report cards, the dances, and the pep rallies.

For many of us the pictures in the *Eidolon* will bring back personal experiences. They will remind us of the day we passed an English pop test or failed an algebra test. We will remember the dates, the romances, our classes, our teachers, our decisions, our mistakes, and our personal victories and defeats.

We hope that we have prepared an annual that will remind us in years to come of the students who were Elbert County High School in 1964-1965.

In Appreciation

"Sag"

The Journalism Class at Elbert County High would like to express its sincere appreciation to Mr. Everrett Saggus, master photographer, who made many of the pictures for the *Eidolon*. Mr. Saggus was so patient with our new ideas. He was always ready to give us advice.
